What you can evaluate

Configure your organization, import employees, test workflows, experience self-service, and decide with real usage — not a slide deck.

Set up your org

- Branding, departments, roles
- Locations & working hours
- Email templates

Add your people

- Create employees
- Bulk Excel import (Pro+)
- Assign roles & policies

Test HR workflows

- Leave & attendance requests
- Multi-level approvals
- Documents & letters

Experience automation

- Auto-approvals (plan-based)
- Balances & reminders
- Manager digests (Pro+)

Try self-service

- Employee hub
- Leave / attendance / letters
- Payslips where enabled

Review insights

- Dashboards & analytics
- Reports for your team
- AI features where enabled

Choose the Plan That Fits Your Team

Per active employee / month. Upgrade or downgrade anytime.

Starter

₹45

/employee/month · Up to 50 employees

Essential HR

- Employee records, single onboarding & org setup
- Departments, designations, bands & office locations
- Organization holidays, weekends & company branding
- Basic leave types, policies, balances & audit trail
- Attendance: shifts, check-in, location, geo-fence & IP rules
- Employee self-service, directory, org chart & resignation
- Multi-level approvals, roles and email templates
- No bulk Excel onboarding
- No face recognition check-in
- No payroll, IT assets or AI assistant

MOST POPULAR

Professional

₹85

/employee/month · Up to 500 employees

- Everything in Starter, plus
- Bulk employee onboarding via Excel
- Face recognition check-in and check-out
- Advanced leave, auto-approval, alerts & analytics
